

Small gestures made a difference

STUDENTS from Years 5 and 6 at Oxley College, painted pots which were delivered to people who receive Meals on Wheels, and the reaction was amazing. A member of the community whose husband received Meals on Wheels gave the school a rug that she had knitted and wrote a card that to be presented to Year 6.

These small gestures have had a large impact on the community and the ripple-on effects are a powerful reminder of the importance of Oxley's service learning programs that are a significant part of the Oxley journey. One of the key Oxley values is, **Be kind** and students continually demonstrate this in their daily interactions. The school is very proud of their Year 6 cohort - they are a very fine group of young people.
